

# Ebrary ebooks: Access & Downloading

To access ebrary on or off campus you **MUST** either go through the library website ([www.wadecollege.edu/library](http://www.wadecollege.edu/library) → Research Resources → Research Databases → ebrary) **OR** directly at <http://site.ebrary/lib/wadec/home.action>

Sign in or create an **ebrary ID** using your Wade College email. Note: on iOS devices, use Safari (Chrome doesn't work well)

When you are signed in you can search for books, add to or access your 'bookshelf', and view the full text of books

For non-Android, non-iOS devices (e.g., **Windows phone** or **Surface tablet**), select “Laptop/Desktop” as your device, then use an Adobe-DRM-compatible reader app available on that platform (e.g. DL Reader).

If a book cannot be downloaded, it might be that:

- Book is provided as a loan - **loaned books cannot be full downloaded**
- **Publisher doesn't allow full downloads,**
- It's a **limited-user book** and no more downloads allowed for the book
- **User has the max 10 books downloaded.**

*Developer Notes:*

*The first time you download a book on a given device, the system will guide you through three simple steps. At each of the 3 steps the guided flow reminds you what you have done and what the remaining steps are.*

*For subsequent uses from the same device, only one step is needed.*
