Regarding the tuition rate per credit hour, this Tuition and Enrollment Agreement is for 2 and one-half academic years only (5 consecutive trimesters). Any student taking more than the normal time for degree completion will be charged the current tuition rate for each additional trimester of study. If a student withdraws and is later readmitted or takes an official leave of absence and returns after the leave of absence expires, the current tuition rate will be assessed for each remaining trimester; however, a student enrolled in a Direct-Entry Baccalaureate Degree Program is allowed to take up to one official leave of absence without incurring an increase in tuition, if applicable. Unless an official leave of absence is granted, a student who fails to attend consecutive trimesters is administratively withdrawn from the college.

### [4] General Terms and Conditions:

a) Students not using any federal student financial aid must make full payment for the trimester cost of tuition and fees by the start date of each trimester to avoid any additional fees. Any student who requires monthly invoicing, whether receiving federal student financial aid or not, will incur a $50.00 convenience fee in each trimester he/she is placed on a monthly billing plan. For each late payment, the student’s account may be assessed $25.00.

b) Students using any federal student financial aid will be provided a Student Financial Plan after federal student financial aid eligibility has been determined. Payments made through federal student financial aid funds will be disbursed in accordance with federal regulations. Estimated installment payments on amounts not paid by federal student financial aid will be shown on the Student Financial Plan, which is furnished separately. c) Students are not financially obligated beyond the trimester they are currently attending. A student may not attend any classes for any academic trimester of study unless all tuition and fees that are due have been paid, or unless the student has made arrangements with the Business Office for an approved alternative payment plan.

d) All charges are payable in accordance with the payment schedule specified in the Tuition and Enrollment Agreement, the Student Financial Plan, or other billing statements. The student (or parent, if assuming responsibility) is responsible for ensuring that payments are made on time. For each late payment, the student’s account may be assessed $25.00.

e) Costs for items other than tuition are estimated.

f) The college reserves the right to dismiss any student from registered classes for nonpayment of institutional charges by the published due dates. A student who is in arrears to any department of the college may not receive reports of grades, academic transcripts, or degrees.

g) All money paid will be refunded if the college rejects the student’s application.

With respect to the admission of students; the availability of student loans, grants, scholarships, and job opportunities; the opportunity to participate in student activities sponsored by the college; and the provision of student services, Wade College shall not discriminate either in favor of or against any person because of age, ancestry, sexual orientation, genetic marker, gender, color, national or ethnic origin, race, religion, creed, disability, or any other characteristic protected by state, local, or federal law.

In addition to complying with federal and state equal opportunity laws and regulations, the college, through its diversity policy, declares harassment based on individual differences inconsistent with Wade College’s mission and goals. Every member of the Wade College community enjoys certain rights. At the same time, individuals who work, study, live, and teach within this community are expected to refrain from behavior that threatens the freedom, safety, and respect deserved by every community member. Students who have concerns or questions should contact the Office of the President.

TRANSFERABILITY OF CREDITS

Although Wade College is a nationally-accredited institution of higher education, the transferability of its credits is solely determined by the receiving institution taking into account such factors as course title, course content, grades, accreditation, and licensing. Consequently, Wade College does not imply, promise, or guarantee transferability of its credits to any other institution. If the student is considering transferring to another institution, it is that student’s responsibility to determine whether that institution will accept Wade College credits. For further information or advising on the transferability of credits, please see the Office of the President.

NATIONAL COUNCIL FOR INTERIOR DESIGN QUALIFICATION (NCIDQ)

GENERAL COURSE INFORMATION

Individual courses of instruction are subject to change or withdrawal at any time and may not be offered each trimester or every year. Any course may be withdrawn from current offerings if the number of registrants is too small to justify conducting the course. Students interested in a particular course during a particular period should inquire in advance and/or consult the Dean of Academic and Student Affairs.

GRADUATION REQUIREMENTS

Upon successful completion of the stated requirements below, students are awarded an associate degree and/or a baccalaureate degree. A student must complete all academic requirements and resolve all financial obligations with the college before degree is awarded.

Graduation Requirements – Associate Degree Programs

The Associate of Arts in Fashion Design and Product Development, Interior Design, or Visual Communication is granted to students who have completed the following requirements: (1) Completion of a minimum of 60 credit hours with a passing grade or credit; (2) Completion of all required general education, core curriculum, and major coursework for the applicable program; (3) A cumulative grade point average (GPA) of 2.0 or above based on a 4.0 scale; and (4) Satisfaction of all financial obligations through the Business Office to participate in the graduation ceremony and to receive a degree and/or an official transcript from Wade College.

Graduation Requirements – Direct-Entry and Post-Associate Baccalaureate Degree Programs

The Baccalaureate of Arts in Fashion Design and Product Development, Interior Design, or Visual Communications or the Baccalaureate of Science in Merchandising Management and Information Technology is granted to students who have completed the following requirements: (1) Completion of a minimum of 120 credit hours with a passing grade or credit; (2) Completion of all required general education, core curriculum, and major coursework for the applicable program; (3) A cumulative grade point average (GPA) of 2.0 or above based on a 4.0 scale; and (4) Satisfaction of all financial obligations through the Business Office to participate in the graduation ceremony and to receive a degree and/or an official transcript from Wade College.
This policy applies to students who withdraw (officially, unofficially, or fail to return from a Leave of Absence) or are dismissed from enrollment at Wade College. It is separate and distinct from the attendance at an academically related activity and the college chooses to use such date. A student who withdraws is one who either officially goes through a withdrawal from Wade College, unofficially withdraws (is administratively withdrawn), is suspended, or officially withdraws and ceases to attend prior to the end of the payment period. The withdrawal date then is the student’s original date of withdrawal unless there is acceptable documentation showing a later date of withdrawal before the end of the payment period.

**Withdrawal after 60%**

The Return of Title IV Funds (R2T4) regulation does not dictate the institutional refund policy. The calculation of Title IV funds earned by the student has no relationship to the student's incurred institutional charges. A college is required to determine the earned and unearned Title IV aid a student has earned as of the date the student ceased attendance based on the amount of time the student spent in attendance.

**Withdrawal before 60%**

The institution will use the Department of Education’s prorated schedule to determine the amount of R2T4 funds the student has earned at the time of withdrawal. After the 60% point in the payment period, a student has earned 100% of the Title IV funds he or she was scheduled to receive during the period. The institution must still perform a R2T4 to determine the amount of aid that the student has earned.

**Federal "Return of Title IV Aid" Policy**

This policy applies to students who withdraw (officially, unofficially, or fail to return from a Leave of Absence) or are dismissed from enrollment at Wade College. It is separate and distinct from the Wade College Refund Policy contained in this catalog. The calculated amount of the "Return of Title IV Funds" that is required for students affected by this policy is determined according to the following definitions and procedures, as prescribed by regulation:

1. If a student decides not to enroll for his or her matriculation trimester, all monies paid (less application fee) will be refunded when requested in writing by the student.
2. Prepaid tuition and fees (less application fee) will be refunded for any period beyond the student’s current trimester will be refunded in full.
3. In the event of withdrawal by the student or termination by the college during any trimester of study, the application fee and graduation fee are nonrefundable and nontransferable.
